COMMODORE'S CORNER

BY: MARY ALDERMAN

Hello Boat Club Members,

Things are busy around the club these days. The Blue Gavel Rendezvous is just a week away and we are trying to get our beautiful club standing tall for the event. There is still plenty of work to be done around the grounds and in the clubhouse so if you have some time you can donate to the club please let me know.

DO YOU KNOW WHAT THE INTERNATIONAL ORGANIZATION OF BLUE GAVEL IS? Some of our new members may not. Blue Gavel is an international organization made up of Past Commodores throughout the world. They raise money and donate it back to charity. Great Lakes Steel Boat Club is a small chapter inside of District 25.

The Great Lakes Chapter has fundraisers throughout the year, one that you all may know about is the raffling off of the big ticket items that are in the clubhouse all summer and then raffled off in September at the Southside Party. This year the raffle item is a snow blower and a lawnmower. You may remember the Gown Resale that Cherie Armatis had at the club a while back. The proceeds from that sale went to the Great Lakes Blue Gavel Fund. The money that the Great Lakes Chapter raises doesn't sit around and collect dust. A good portion of it is given to charity. Some, but not all of the charities that the Great Lakes chapter has donated to are: The Penrickton Center for the Blind Children. To date Great Lakes Chapter has donated over \$10,000 to the center, IOBG Humanitarian Fund, Children's Diabetes Foundation of Michigan, Pediatric Cancer Fund-Children's Hospital, YMCA, Goodfellow's, Kidney

Foundation, United Foundation and just this year to our own club. Chapter President, Dave Gutowski donated the 20 x 40 tent on the tennis courts to the club.

The rendezvous that is at our club next weekend, June 25, 26 & 27 is a Blue Gavel function honoring the District 25 President, GLSBC active member, Russell Skitch.

In short, the Blue Gavel is a much appreciated and very generous organization that deserves our support. I know it's past the reservation date but if you can and would like to come out and support this Blue Gavel event I think we could accommodate you. Please contact Dave Gutowski to make your reservations.

To wrap things up I'd like to thank the membership that came to the General Information Meeting on June 9th. I have confidence that our new Maintenance Program will be a success with all of your help. For the few members that were not able to attend we missed you and just to let you know your active status could be in jeopardy. If you're interested to know why or what you can do please feel free to contact me.

Until next month... play safe.

ENTERTAINMENT NEWS

Hello GLSBC,

I hope all of you are enjoying your boat and the wonderful company of our members around the club. I wanted to remind everyone that Family Day is quickly approaching and we need your participation and attendance to make this family event successful. Below is a schedule of events and committee chairs list. Everyone on the list needs help with his or her job. There are sign-up sheets in the clubhouse. We also are going to

need booze donations for the COOLER OF CHEER, cakes for the cakewalk and any cool Michigan items you have to lend to the club for the day to use as decorations. The cooler of cheer is located in the clubhouse; please place your donation in the cooler. All well holders should be thinking of how they can show their Michigan pride and decorate their dock or boat with anything Michigan. Think of different sports teams, colleges or universities, the GREAT LAKES, favorite vacation spot or Michigan product, etc....Here are a few websites to look at that have everything to do with Michigan:

FLEET CAPTAIN REPORT

Summer greetings from your VC & FC!

Docks

Welcome to Boating Season! I hope you all are enjoying your boats and the “mostly” nice weather we are having.

Not much to report this month but I do have a couple reminders.

The club marina will be closed, June 25, 26 and will re-open on Sunday, June 27 at Noon

We are hosting the International Order of the Blue Gavel District #25 President’s Rendezvous honoring this year’s President, Russell Skitch. We encourage all of you to attend but if you cannot and would like to use your boat on either Friday and/or Saturday please make arrangements to take it somewhere else because we will be rafting several boats off and you will not be able to leave once the rafting starts.

I know I may sound like a broken record but also, please remember to keep your dock area free of weeds and any other garbage. We want to keep the club looking as beautiful as always. I appreciate your efforts to assist.

If you have any questions feel free to give me a call or catch me down at the club. Have a great month on the water!

The “Blessing of the Fleet” was a wonderful event with Fr. Jerry blessing 40 boats. Hopefully everyone had a nice time. Thanks to everyone who helped and who brought a dish to share.

Right after the blessing was the GLSBC “Two Day” poker run with Ralph taking first place, Dan Tulik taking second and Rob Ponder again took a third place. We made a visit to four other clubs including Wyandotte, Seaway, Sunseekers and Elba Mar. This year, the last envelope was given out at GLSBC on Saturday evening. *Was that some good lasagna, spaghetti & garlic bread or what??* A special thanks to John & Cherie for some last minute assistance in the kitchen, neither me or Michelle has ever cooked that much spaghetti at one time. Again, it looked like everyone had a great time and the left-overs came in handy after a beautiful day of boating on Sunday where we had at least 16 boats tied together in Barge Bay.

Next on the FC agenda is the Harbor Hill rendezvous with 16 boats signed up. This article is being written prior to this weekend so I am still looking forward to dinner at Sinbads on Friday. I was forced to make a change from BBQ chicken to chicken cordon bleu for Saturday’s dinner. Everyone is asked to bring a side dish to share. There is a rumor about some stiff competition for the martini contest. The results will be published next month.

Quickly approaching is the back-to-back rendezvous starting with a “Mid Week” event at St Clair on Wednesday, Thursday and Friday, July 7th, 8th & 9th. Right now there are 10 boats signed up but there is room for more. I am planning eye openers for Thursday & Friday morning including a light breakfast. There will

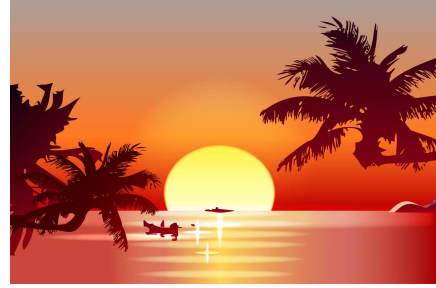

be an optional group dinner at the Voyageur on Wednesday evening, an optional lunch at the La Croix Riverside pub on Thursday followed by a special social hour from 3:10 until 4:10pm. Please bring a finger-food dish to share for a Thursday evening dinner or use the provided BBQ's to grill your own favorite dinner.

Immediately following is the second of the back-to-back rendezvous with a stop at the Algonac Harbor Club on the way home. This is scheduled for Friday, Saturday & Sunday, July 9th, 10th & 11th. Although I did fill the 15 wells that I had reserved, I was able to add some additional so please let me know ASAP if you are interested. Again, I am planning to provide eye openers on Saturday & Sunday mornings, a special social hour from 3:10 until 4:10 on Saturday and a pot-luck dinner on Saturday evening.

I will provide some additional details on the Holiday Harbour Rendezvous scheduled for August 6th, 7th & 8th in the next Channel Marker. I can report that there are 6 wells 13' to 14' wide that can handle up to a 39' boat and one well for a 50' boat available. There are also a number of wells for boats up to 31' available. The sign-up sheet is still in the binder.

As always, let me know if you have any questions or suggestions.
