A Message from your Commodore,
By Rick Kasza

It is always sad when we lose a club member and this month, this is especially true. Please keep the Spanitz family in your thoughts and prayers as they attempt to put their lives back on track. RIP Paul, we will all miss you!

Some good news about Richard Fickeisen: He is finally seeing some improvement and I had a chance to visit him at the Wyandotte Hospital Rehab Center but there is still a long road to recovery so keep your positive thoughts and prayers going for Richard. By the time that you are reading this, he should either be on his way home or already at home.

This year's "Family Day" was wonderful, great job Julie, Greg & team; thanks for all of your hard work. You know that everyone is having fun when it starts to rain and no one cares, they just continue doing what they were doing and not running for cover.

I can report first hand that GLSBC was well represented at this year at the 118th annual ILYA Regatta held at Put-In-Bay. For those of you that are not aware, this event is a lot of fun in addition to a terrific value for the entire family. Next year I hope that we can plan, build and race another cardboard boat or two.

Hat's off to Patty Kovach & team for scheduling the Progressive Party that was held at GLSBC this month, great job. The creativity and talent of our members always amazes me when it comes to a new dish or cocktail to share. Thanks to DJ Ron who provided the music that kept everyone dancing.

This past weekend's rendezvous at Bob-Lo, was just wonderful. We used the pool, toured the island by bicycle and of course, a dinner at Duffy's on Friday. As a bonus, there was a classic car show on the island and a great lightening display, both on Saturday. Dan and Mary did another great job, thanks again to the both of you for all of your hard work.

I hope to see everyone at the upcoming "Steak Roast"; this is definitely one of my favorite events each year.

Let me know if you have any questions, suggestions or issues.

A Message from your Entertainment Director

Hello everyone,

Well, another family day has come and gone. We had 232 adults and 95 kids attend and I believe all had a good time. With the questionable weather at the beginning of the day and the road construction on Great Lakes Ave, I believe the turnout was fantastic.

I would like to personally thank everyone that helped plan and execute each and every function on family day. A lot of people donated a significant amount of their time and in many cases their own money to help make this family day a success. Unfortunately 2 of our department heads could not attend due to a medical emergency (get better Richard) but others stepped up and made it happen for us. Some of the helpers did jobs that were less visible than others but each and every job was just as important. So, Thank You Everyone!!

If anyone has any comments (pro or con) regarding family day this year, please send an e-mail to myself or Julie. Maybe we can make it even better next year.

The next function we are coordinating is our annual Steak Cookout on August 27th, make sure to RSVP Julie either by signing up in the clubhouse or e-mailing her jat11296@comcast.net (by Aug 21st) so we can get a count for the steaks and chicken. The cost is \$15.00 and that includes the beer and soft drinks. Also, be sure to bring your dancing shoes as the D-Tour Band will be performing and the dance floor is usually quite active when they play.

In closing, I would like to extend heartfelt condolences to the Spanitz family. Julie and I will keep you guys in our thoughts and prayers.

-Greg Tackett

A Message from your Fleet Captain

We just got back from our Bob-lo weekend it was attended by nine boats it was a very relaxing weekend as well as entertaining we started Friday with our commodore making his famous lemon drinks for cocktail hour then we went over to Duffys for dinner Saturday was spent exploring the island, swimming in the pool or wondering through the old car show that was on the island for dinner we had some of the best steaks I have had from Solitz's in a long time then we watched nature but on a great lite show in the sky before we went to bed. Our next outing will be back to Holiday Harbor for Labor Day weekend this will be the last major outing this summer so if you can make it please sign up in the club house we still have a few open wells. I tried to keep everything close this year with the gas prices but if anyone has any ideas for next year I am open for suggestions.
