Hello to all of our members,

It seems like summer just started a short time ago and here it is fall and time for haul out. This summer has been a blast. Our boat ran like a Singer sewing machine. Carol and I had the privilege of representing our club at a host of clubs and events all over Lake Erie, or at least the western corner of Lake Erie. It has been a lot of fun and exciting for us to visit new clubs and new ports. In addition to the new ports of call, we have made many new friends along the way.

Looking towards the future, it is with mixed emotions that I have decided to not be your Commodore for a second year.

When we were elected to the board, time and age didn't seem to be an issue. I say we because Carol has been an absolute trooper and supporter. Looking back, like this past summer, time has flown by and with it our age. When I started, I remember saying laughingly to Past Commodore Rick Kasza and some other board members, hat I might not even be alive by the time I finished. We all had a good laugh. Now it's 2017, we are still kicking and in reasonably good health and still have a few bucket list items that we would like to do while we are still able.

In closing, we plan to remain active boaters. We will always be GLSBC members and represent our club to the best of our ability.

See you soon,  
Commodore Joe

From your Vice Commodore / Dock Chairman - Kevin Stone

Well we are at the end of our 2017 boating season. What a great summer for boating. The weather was great for boating, not much rain and very warm temperatures. We have had many great events at the club once again this season. I would like to thank each and every member and guest for making this boating season very special. With your support and participation, you have all made GLSBC a very special club. I have had the honor and privilege to be a flag officer for this club and have been to many other clubs that are very nice, but none any nicer or have better members than GLSBC has.

### October

5th First Thursday GLSBC Think Tank

7th - 8th Haul-out

12th "No Cook Thursdays" @ GLSBC  
Burger Night

### November

2nd First Thursday GLSBC Think Tank

### December

7th First Thursday GLSBC Think Tank

16th Annual Meeting - GLSBC

Clubhouse

Please note that our annual meeting is moved to December 16<sup>th</sup>. It will be the same format as in years past. Please bring a dish to pass and the club will supply the hams. Other item to note: last No Cook Thursday will be on October 12<sup>th</sup>. It is a burger night. The December First Thursday in the think tank still needs someone to sign up to cook. That date is December 7<sup>th</sup>.

This past Saturday September 30<sup>th</sup> we had Ladies Night at the club. Thank you to everyone that came down to the club and supported the fundraiser for the commodore fund. I also would like to thank the men for coming down to the Think Tank and all their help running men's night. Fun was had by all!

To the ladies that took on the task of running, planning and setting up this event, I cannot even begin to thank you enough for all the time and effort you put in to making this a great event. I am overwhelmed and truly touch by your generosity and there are no words that could ever express how much this means to me. From the bottom of my heart I THANK YOU.

V/C Kevin Stone

**From your Rear Commodore /Entertainment -  
Randy Pearce**

I hope this finds everyone in good health and spirits.

Brenda and I would like to thank the Entertainment Committee for all their help to put on all the events this year. Congratulations and thank you to all who assisted with these events. We could not do this without such outstanding participation.

A great big shout out to **Al and Marian**. They put on a very successful and fun chili gathering. Hope to see this become an annual event, as everyone who attended loved it.

Brenda and I attended Grosse Ile Yacht club cocktail party and it was an extremely great event.

I would like to extend thanks to our Vice commodore Kevin Stone and Lady Crystal for all their work on No Cook Thursdays, Zukens and in general all their work to make the club a success.

I also want to commend all the flag officers and board for their time and effort this year.

The last events are upon us. Ladies Night and then Haul Out. Let's enjoy Ladies Night and then turn our efforts towards Haul Out. Please make sure your are at the club and prepared to work at 8:00 am for Haul Out both days.

Remember, your boats must run to facilitate the haul out crew.

Thank you,

**Randy Pearce**  
Rear Commodore
