From your Commodore - Kevin Stone

Happy February to our members

You may ask why happy February being it is so cold and snowy? Well it is because we are one month closer to launch and that makes me happy.!

We had our change of watch and I am pleased to announce your Flag officers and Board of Directors for 2018:

- Commodore - Kevin Stone
- Vice Commodore - Randy Pearce
- Rear Commodore / Entertainment - Sheri Hebert
- Fleet Captain - Brenda Rumsley
- Treasurer - John Armatis (P/C)
- Secretary - Ray Stewart
- Quartermaster / Director - Brian Volz
- Directors - Greg Tackett (P/C), Bob Ford and Richard Stec

We are working on a full schedule of events for our members. Fleet Captain Brenda and Entertainment Sheri are putting together the dates and will have them out to you very soon.

There is a suggestion box in the club house on the half round table. We are looking to get more input from our members on what they feel needs to be done or changed. You can remain anonymous, if you choose. I would just like to have your input, it is your club. You can call or email me anytime if you have a question or concerns. Please leave me a message if you don't reach me and I will get back to you as soon as I can.

Things are a little slow now, but our calendars will be filling up fast and before you know it, it will be Spring and we will all be back on our boats!

Don't forget First Thursday is a great way to stay up to date with members and what is going on at the club. Hope to see you there.

From your Vice Commodore / Dock Chairman

Randy Pearce

I hope everyone is weathering the winter and you and your family are doing well.

We have another great year ahead of us, and I would like to take this opportunity to express my pleasure of serving the club as Vice Commodore and Dock Chairman.

I will be reviewing the physical docks in the coming months and will be marking the poles that need to be changed, or any issues that need to be corrected prior to launch. More to come on that in later updates.

Please remember to come to the club and review your boat stands and make sure everything is good with your boat.

The next event this year, is First Thursday on February 1st, followed by Super Bowl Sunday. Hope to see all at these events.

A major new event this year on April 21, 2018 is the Steel on The River Wall-eye Fishing Tournament. We will be looking for volunteers to help on EVENT DAY, as well as some up front planning. There will be a cash prize structure based on the number of participants, as well as a big fish pot. We will have raffle items from sponsors and look to make this an annual event. For applications, you can contact myself, or Troy Newman or Doug Ulsh who are the event directors. For those wishing to help with the event, please contact me.

Thank you,

Randy

From your Rear Commodore /Entertainment - Rear Commodore

Sheri Hebert

Greetings from the Rear..... Commodore that is.

I would like to start by thanking everyone for the opportunity to represent our club this year as your Rear Commodore. Part of my responsibilities this year is the Entertainment Chairperson.

My first event will be the annual Super Bowl Bash this Sunday February 4th. The doors will open at 4:30 pm and the cost is \$15 per person and includes a lot of good food, snacks, and beverages. There will be some great door prizes, football squares, and lots of TVs so there is not a bad seat in the house. If you have a large group of people that you would like to seat together let me know and I will reserve you a table. It is sure to be a good time with great friends. Looking forward to seeing everyone there.

Up next will be the AYC party and ball in Perrysburg where GLSBC is hosting one of the hospitality rooms. Hope everyone has gotten their tickets to show our support for our own Past and current AYC Rear Commodore Tom Kovach and Lady Patty as he moves up to Vice Commodore. If you have never been to one of these parties and didn't get your tickets for this year you have got to mark your calendar for next year and join us for the weekend.

After the AYC party the countdown starts until Launch....how many days is that now...

Sheri
