Happy New Year to all our boat club members and their family's!

December was very busy for Lady Crystal and myself. We attended the I-LYA Fall Meeting in Cleveland, Ohio to vote for the 2018 I-LYA officers as well as many other events. One of the best events was the GLSBC Annual Meeting. It was once again a big success. Thank you to all that brought a dish to pass. The food was outstanding. Also, thank you to all that ran for office. Congratulations to the Officers and Board Members that were elected and appointed.

Looking forward 2018 :

Looking to have our rendezvous close to GLSBC this year. I would like to go to Holiday Harbor over the Labor Day weekend, as it has been a big hit in the past. Places that were liked by our members in the past were Boblo Island, Kean's Marina (Friday night baseball game) and possibly Ranta in Canada. I would really like to get your input on where you would like to go.

We will continue to raise docks on the south side in the spring of 2018 so that no one has to walk in the water getting to their boats.

There is a suggestion box in the club house on the half round table. I know there are a lot of people that don't feel comfortable speaking up in public. By putting a suggestion box in, we are hoping to get more input from our members on what they feel needs to be done or changed. You can choose to remain anonymous or not. We would just like to have your input because it is your club.

AYC Tickets:

Deadline to buy tickets is January 17. You cannot buy tickets at the door. AYC weekend is February 16th and 17th in Perrysburg, OH. AYC weekend tickets can only be purchased by boat club members and you may bring one guest. The cost for the weekend tickets are \$45.00 per person. I do have a few dinner tickets available for purchase for \$65.00. Tickets can be purchased with cash or checks payable to 2018 AYC Ball. I will be at the January First Thursday with tickets. Please note I will be going out of town for work from January 7th to January 13th.

First Thursday has a lot of open dates. If you would like to host one of them, there is a board on the wall in the Think Tank where you can sign up. January was hosted by Doug and Christall and the food was excellent! We had about 30 people which was a great turnout since it was so cold outside!
